

## **State Personnel Development Grant (SPDG) Recent Activities and Outcomes Reports**

### **ERIA Program Overview and Summary Report** Reading/Literacy

2010-11 School Year

[http://calstat.org/pdf/ERIA\\_Oct2011.pdf](http://calstat.org/pdf/ERIA_Oct2011.pdf)

The Effective Reading Interventions Academy (ERIA) delivers training and ongoing coaching to school site teams of teachers and administrators, helping schools to improve literacy outcomes for their middle and high school students. Visit ERIA's homepage on the CalSTAT website: <http://calstat.org/effectivereading.html>

### **Family Participation Fund (FPF) Summary Report** School-Family-Community Partnerships

July 2010 to June 2011

[http://calstat.org/pdf/FPF\\_2011\\_Oct2011.pdf](http://calstat.org/pdf/FPF_2011_Oct2011.pdf)

CalSTAT's funding SPDG Grant, specifically allocates dollars each year to provide oversight and administration of a program that directly funds parents. CalSTAT, through a subcontract with the California Association of Family Empowerment Centers (CAFEC), financially supports families to participate in local, regional, or statewide decision making committees and groups. Since July 1, 2011, the FPF has been administered by WestEd Center for Prevention and Early Intervention (CPEI).

### **TEACH California Website, Final SPDG Summary Report** Teacher Recruitment and Retention

June 2008 to June 2011

[http://calstat.org/pdf/TEACH\\_Ca\\_Sep2011.pdf](http://calstat.org/pdf/TEACH_Ca_Sep2011.pdf)

TEACH California is part of California's special education teacher recruitment effort, funded by the five-year State Personnel Development Grant (SPDG), offering additional information and materials to bolster teacher recruitment in all areas, particularly special education, math and science. It has been administrated by CalSTAT and operated by the Sacramento County Office of Education (SCOE) since it was established in March, 2004.

### **RiSE Library Summary Report** Information Dissemination

June 2008 to June 2011

<http://calstat.org/rise.html>

CalSTAT manages the RiSE (Resources in Special Education) Library, which makes available documents that offer research-proven strategies and information recommended by educational stakeholders. Residents of California can check out these resources free of charge by ordering through phone, email, U.S. mail, and fax, or by visiting the library in person.

**SPDG supports many additional activities with CalSTAT, a special project of CDE, Special Education Division. Visit the CalSTAT website: <http://calstat.org/>**
