

Instructions for Transition to Adult Living Training Modules

The three training modules are designed for the following audiences:

- ❖ **Service providers**, such as teachers, case managers and related service providers that provide instruction and services to secondary students with disabilities
- ❖ **Administrators** that provide supervision of secondary programs that include students with disabilities
- ❖ **Families** of students with disabilities

All trainings contain the same general information but contain different optional activities designed for the particular audience.

Four weeks prior to the training: order copies of the

Transition to Adult Living: An Information and Resource Guide from:
CalSTAT, CA Institute on Human Services
Attn: Transition Guide Request
311 Professional Center Drive
Rohnert Park, CA 94928

- The Guide and delivery is free of charge
